those covered by state action, consistent with regulations such as the 404(b)(1) Guidelines' significant degradation provisions and the water-related findings required of the Corps' Public Interest Review.

I hope these comments are helpful to you in reaching a permit decision, and again thank you for your partnership in implementing the programs of the Clean Water Act. Please direct your review team to Elizabeth Goldmann with any questions or concerns regarding EPA's analysis at (415) 972-3398.

Sincerely yours,

Alexis Strauss  
Acting Regional Administrator
